La Grange des Filles

AOC Côtes du Rhône, Vallée du Rhône, France

PRESENTATION

"La Grange des Filles" enjoy this very feminine rosé wine ...

Anaïs, Anouk, Charlotte, Clara, Clémence and Mathilde: these six wonderful girls, the girls in our lives, were the personalities that inspired us, the wine lovers that we are, to create this rosé.

We have put all our know-how into creating this wine, giving it the most beautiful concentration of elegance, lightness, finesse and character that these girls embody. We have thus used all our expertise and passion in creating "La Grange des Filles," a wine that we wanted to be original, and for which each bottle symbolizes the diversity of flavors and complexity of this wine. We, the five founders of this project - cellar master, winemaker, ambassador of wines, sommelier and oenologist - are pleased to be able to share with you today the beautiful story of this rosé wine which is so feminine and so unique ...We therefore invite you into the barn...

Enjoy the wine!
