

Domaine du Camp Revès Rouge - Professional range

AOC Côtes du Rhône Villages, Vallée du Rhône, France

PRESENTATION

It is original to offer a Domain wine in a wine cooperative. The crop of Mr Faure, performed on its domain is isolated from the overall harvest of the cellar. It is received and vinified separately.

The pebbles on more than one meter deep lend character and warmth to the wine produced. The first vintage bottled was the 1996 red, when a part of our vineyard got the Côtes du Rhône Villages appellation. In Provence, the term "Camp Reves" means "field on the other side." This name was given to the area as it is located on the farthest part of the town and is an arm of land that juts into the territories of neighboring villages.
