PRESENTATION

Enjoy this very feminine rosé wine ...

We have put all our know-how into creating this wine, giving it the most beautiful concentration of elegance, lightness, finesse and character that women could inspire. We have thus used all our expertise and passion in creating "La Grange des Filles," a wine that we wanted to be original, and for which each bottle symbolizes the diversity of flavors and complexity of this wine. We, the five founders of this project - cellar master, winemaker, ambassador of wines, sommelier and oenologist - are pleased to be able to share with you today the beautiful story of this rosé wine which is so feminine and so unique ... We therefore invite you into the barn...
