AOP Côtes du Rhône, Croix Valong 2023, 75 CL, Rouge

AOP Côtes du Rhône, Vallée du Rhône, France

PRESENTATION
This special cuvée is produced using grapes from specific parcels of land held by four different growers. Production is limited to 30 Hl/Ha. The parcels are visited every ten days from early July until harvest time in order to verify a number of criteria concerning the balance of the fruit. Legend has it that a rich landowner was extremely jealous of the neighbouring Papal vineyard, which was bordered by standing stones carrying the papal key insignia. The landowner thus marked the boundaries of his own property, situated between two valleys, with high stone crosses. Whilst no trace of these markers remains, we have chosen this name for our latest and most special selection; winning multiple awards, the wine is itself becoming something of a legend.
